

Beaver County Sportsmen's Conservation League Youth Foundation

Founded in 2016

P.O. Box 376
Monaca, PA 15061

The Beaver County Sportsmen's Conservation League Youth Foundation is a nonprofit organization supporting the youth educational programs conducted by the Beaver County Sportsmen's Conservation League.

Our mission is to promote the outdoor sports and conservation of our natural resources through educating our youth and providing them with outdoor educational opportunities and experiences.

Some of the events we already support:

Joe Craig Memorial Fishing Derby – Event held annually at the Hopewell Community Park free for children under the age of 16 years.

The Beaver County Sportsmen's Conservation League Youth Field Day – A day long free event held at Midland Sportsmen's Club for children 10 to 16 years of age with events ranging from black powder shooting, to canoeing, to archery, just to name a few.

The Beaver County Sportsmen's Conservation Camp – Held annually at Raccoon State Park. It is a week-long resident camp where children truly experience the outdoors and learn skills to increase their knowledge and abilities in outdoor sports.

Youth Pheasant Hunts – Held annually at PA Game Lands in conjunction with PA Game Commission for junior licensed hunters.

Assist with Youth Goose Hunts for Beaver County – Held at Brady's Run Park for junior licensed hunters.

Your support is greatly needed to continue these and similar events. Today's youth are tomorrow's leaders. You can help by becoming a member today!
