

**The PA Governor’s race will decide how Pennsylvania deals with energy costs, parental rights, and much more!**

<b>Governor of Pennsylvania</b>	<b>Doug Mastriano</b>	<b>Josh Shapiro</b>
Academic / Work Experience/ Political experience/ Family experience	BA Eastern University --- 4 MS degrees from Army War College - -- PhD History from New Brunswick Retired Army Colonel (30 years of service) – Desert Storm Veteran --- Professor US War College --- 30 published articles & 2 books including “A New Biography of the Hero of the Argonne Senator in the General Assembly Married Rebbie --- one child	University of Rochester, Georgetown law degree  Representative in General Assembly – PA Attorney General Chairman of the Board of Commissioners in Montgomery County  Married Lori --- four children
What to expect when they become Pennsylvania’s next governor	<b>Elimination</b> of all pandemic executive orders and edicts from the Wolf Administration --- no Covid vaccine mandates ---- no masking mandates for COVID in schools  <b>Lower energy costs</b> , less inflation, expansion of Western PA energy sector ---- opposed to RGGI (1) <b>Ban the use</b> of private funds (like Zuckerbucks) to influence elections ---- Supports voter ID – <b>No sanctuary cities</b> and efforts to remove criminal activity and the inflow of drugs <b>Education not indoctrination</b> --- ban on Critical Race Theory and Gender Theory studies in grade schools ---- expand choice for children in unsafe and failing schools <b>Lower taxes</b> --- create taskforce to eliminate property taxes ----  <b>Protect life</b> --- sign Heartbeat Bill legislation into law ---- end any state funding to Planned Parenthood --- support funding for counseling and for adoption services	<b>Supported</b> pandemic edicts incl arbitrary shut down of certain business but left others open --- failed to investigate elected officials removing parents from senior healthcare while sending COVID positive patients to senior healthcare resulting in 100s of deaths <b>Higher energy cost</b> , more inflation, suppression of Western PA’s energy sector --- supports RGGI (1) <b>Allow NGO (private funds)</b> to fund & influence election process --- Opposes voter ID <b>Open borders</b> --- <b>more</b> criminal activity, human trafficking, drugs, sanctuary cities, and national security risks <b>Supports department of education</b> dividing students into oppressors and victims based upon race, gender, white privilege, and other criteria <b>“Fully fund” schools = raise taxes</b> to spend more on education, including a mental health professional in every building <b>Defends late term abortion</b> --- use taxpayer dollars to promote and fund the abortion business --- including the use of baby parts in research
Economic vitality and growth	<b>Lower taxes, more jobs, higher growth</b> Smaller government, more individual freedom and opportunity Unity around America’s founding principles	<b>Higher taxes, fewer jobs, lower growth</b> Big government, smaller individual Identity politics, exploitation by race, gender, culture, and class

(1) RGGI = Regional Greenhouse Gas Initiative is a cap-and-trade program that will make energy more expensive for PA businesses and consumers
